Robots in Disguise

Don't take, don't take, don't break my amateur art
Ne te moques pas, te fous pas, te fous pas, casses pas
Ne plaisantes pas avec mon art
We're the Blue Peter generation
Brought up on amateur creation
Check our hobbies and collections
Our lower middle class directions
My work's won kiddie competitions
Filled leisure time with my inventions
Read books that stretched imagination
I loved my breaktime education
Don't take, don't take, don't break my amateur art
I heart my art
Don't make, don't make, don't make a joke of my heart
Ne plaisantes pas avec mon art
DIY - Do or die
(Why don't you...sing write paint make?)
DIY - Do or die
DIY - oh why
(Why don't you...DIY)
DIY - do do do...
DIY - why not
I heart my art
Ne plaisantes pas avec mon art
We're the pre-mixed generation
Buy into quicker-fix emotion
Grown up, want only-child attention
Fed up on going through the motions
Dress up and kill the television
Play names and word association
Paint sounds, electro conversation
Go games and adult education
Don't take, don't take, don't break my cut and paste
art
I heart my art
Don't make, don't make, don't make a joke of my art
Ne plaisantes pas avec mon art
