

Daisy Bomb

Robyn Hitchcock

Sometimes a bomb is not enough
To express the way I feel
And an explosion in the dark
Won't let you down
Sometimes a kiss is not enough
You just have to make it two
Kissing I love you inside out and upside down
Darling I love you inside out
And upside down
I love you
Like a bomb
In my heart
Sometimes a kiss goes on so long
And it just won't let you go
Darling I love you inside out
And upside down
I love you
Like a bomb
In my heart
Daisy bomb
