

Demons & Fiends

Robyn Hitchcock

Steppin' off to higher glory
All around is demons and fiends
Ooh, ooh
Movin' out towards the kingdom
All I see is hobgoblins and ghouls
Ooh, ooh
Headin' up beyond salvation
All I tread is of nostrils and skulls
Ooh, ooh
Gettin' out across the heavens
All I see is fungus and bones
Ooh, ooh
Lookin' up, I saw the fury
All around is tattered black sails
Ooh, ooh
In the hedge there's a rustlin' sound
A man come out and he staggers around
He grins and offers some of it to me
So I close my eyes and dream a little harder
Close my eyes and dream a little harder
Close my eyes and dream a little harder of...
