Knife

Robyn Hitchcock

Here is a knife Here is a pointy daggery knife Here is a knife And it's pointing to you Here is a life Here is a tender trembling life Herre is a life And it's quivering under you Here is a dream Here is a sweet and terrible dream Here is a dream And we're in the middle of it Oh come off it-not againdo we have to go through all of this again? All of this again Here is a knife Here is a pointy daggery knife Here is a knife And it's pointing to you
