

## Listening To The Higsons

Robyn Hitchcock

Lucifer in Frogna  
Listening to The Higsons  
One night in November  
And I thought I heard them singing  
Said "I gotta let this hen out  
And give this hen some eyeballs  
Running out of living"  
Won't you see for me  
Won't you see to me  
Listening to The Higsons  
One night in November  
And I thought I heard them singing  
Sing "I gotta let this hen out"  
The Higsons come from Norwich  
But I prefer East Grinstead  
I'm running out of living  
Won't you see to me  
Won't you see for me  
Listening to The Higsons  
Gotta let  
Gotta let this hen out
