

## More Than This

Robyn Hitchcock

It could feel at the time  
There was no way of knowing  
Falling leaves in the night  
We can't say where they're going  
As free as the wind  
Hope for the learning  
While the sea of the tide  
Has no way of turning  
More than this  
You know there's nothing  
More than this  
Tell me one thing  
More than this  
Nothing  
It was fun for a while  
There was no way of knowing  
That the sun in the sky  
We can't say where it's going  
No care anymore  
Maybe I'm learning  
While the sea of the tide  
Has no way of turning  
More than this  
You know there's nothing  
More than this  
Tell me one thing  
More than this  
Oh there's nothing  
More than this  
There's nothing  
More than this  
Tell me one thing  
More than this  
Oh there's nothing
