

Take Your Knife Out Of My Back

Robyn Hitchcock

Take your knife
Out of my back
Take your fork
Out of my soul
Take your spoon
Out of my brain
I don't want to know
Anymore about you
Take your gun
Out of my window
Take your planes
Out of my skies
Take your news
Off'n my radio
I don't want to know
Anymore about you
Take your dreams
Out of my eyes
Take your face
Out of my mirror
Take your bones
Out of my body
I don't want to know
Anymore about you
I don't wanna know
Anymore about you
