

## Uncorrected Personality Traits

Robyn Hitchcock

Uncorrected personality traits  
That seem whimsical in a child  
May prove to be ugly in a fully-grown adult.  
Lack of involvement with the father or  
Overinvolvement with the mother  
Can result in lack of ability to relate to sexual peers

And in homosexual leanings  
Narcissism, transsexuality,  
Girls from the waist up, Men from the waist down  
Attempts to be your own love object,  
Reconcile both your parents...by becoming both at once.

Even Marilyn Monroe was a man, but  
This tends to get overlooked by  
Our mother-fixated overweight, sexist media  
So  
Uncorrected personality traits  
That seem whimsical in a child  
May prove to be ugly in a fully-grown adult

If you give in to them  
Every time they cry  
They will become little tyrants  
But they won't remember why  
Then when they are thwarted  
By people in later life  
They will become psychotic  
And they won't make an ideal husband or wife

The spoiled baby grows into  
The escapist teenager who's  
The adult alcoholic who's  
The middle-aged suicide  
Oi

So  
Uncorrected personality traits  
That seem whimsical in a child  
May prove to be ugly in a fully-grown adult
