

Don't Want You Back

Robyn

I know what can I expect you're just a man
But even
But even a man should understand his woman

I don't want you back, I don't want you back here with me
I don't wanna get back, get back to what we used to be
I just wanna be free, free to be what I wanna be
I just wanna be me, I just wanna be me and only me

This girl had so many things she couldn't tell you
This girl had so many things she couldn't show you so

So it's time for me to show
It's time to let you know
This is for real
And this is what I feel

I don't wanna see your face again
And I don't need to hear your lies
I don't even wanna hear your name
Oh boy, you better recognize
