

# Indestructible

Robyn

I'm going backwards through time at the speed of light I'm yours, you're mine

Two satellites

Not alone

No, we're not alone

A freeze-frame of your eye in the strobelight

Sweat dripping down from your brow

Hold tight

Don't let go

Don't you let me go

And I never was smart with love

I let the bad ones in and the good ones go

But I'm gonna love you like I've never been hurt before

I'm gonna love you like I'm indestructible

Your love is ultra-magnetic

And it's taking over

This is hardcore

And I'm indestructible

Hands up in the air like we don't care

We're shooting deep into space

And the lasers split the dark

Cut right through the dark

It's just us we ignore the crowd dancing

Fall to the floor

Beats in my heart

Put your hands on my heart

And I never was smart with love

I let the bad ones in and the good ones go

But I'm gonna love you like I've never been hurt before

I'm gonna love you like I'm indestructible

Your love is ultra-magnetic

And it's taking over

This is hardcore

Ooh and I'm gonna love you like

Like I've never been hurt before

I'm gonna love you like I'm indestructible

Your love is ultra-magnetic

And it's taking over

This is hardcore

And I'm indestructible

And I never was smart with love

I let the bad ones in and the good ones go

But I'm gonna love you like I've never been hurt before

I'm gonna love you like I'm indestructible

Your love is ultra-magnetic

And it's taking over

This is hardcore

Ooh and I'm gonna love you like

Like I've never been hurt before

I'm gonna love you like I'm indestructible

Your love is ultra-magnetic

And it's taking over  
This is hardcore  
And I'm indestructible
