

List of Demands

Robyn

I want my money back
I'm down and drowning in your fat
You got me on my knees
praying for everything you lack
I ain't afraid of you
I'm just a victim of you fears
You cower in your tower
Praying that I would disappear

I got another plan
One that requires me to stand
On the stage or in the street
Don't need no microphone to beat
And when you hear this song
If you ain't dead then sing along
Bang and strum to these here drums
'till you get where you belong

I got a list of demands
Written on the palm of my hands
I ball my fist you're gonna know where I stand
We're living hand to mouth
You wanna be somebody
See somebody
Try and free somebody

I got a list of demands
Written on the palm of my hand
I ball my fist you're gonna know where I stand
We're living hand to mouth
Hand to mouth

I wrote a song for you today
while I was sitting in my room
I jumped up in my bed today
and played it on a broom
I didn't think that it would be
a song that you would hear
But when I played it in my head
I made you reappear

I wrote a video for it
And I acted out each part
And then I took your picture out
and taped it to my heart
I taped it to my heart yeah girl
I taped it to my heart
And if you walk away from me
You'll tear my life apart

I got a list of demands
Written on the palm of my hands
I ball my fist you're gonna know where I stand
We're living hand to mouth
You wanna be somebody
See somebody
Try and free somebody

I got a list of demands
Written on the palm of my hand
I ball my fist you're gonna know where I stand
We're living hand to mouth
Hand to mouth

yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah

I got a list of demands
Written on the palm of my hands
I ball my fist you're gonna know where I stand
We're living hand to mouth
You wanna be somebody
See somebody
Try and free somebody

I got a list of demands
Written on the palm of my hand
I ball my fist you're gonna know where I stand
We're living hand to mouth
Hand to mouth

I got a list of demands
Written on the palm of my hands
I ball my fist you're gonna know where I stand
We're living hand to mouth
You wanna be somebody
See somebody
Try and free somebody

I got a list of demands
Written on the palm of my hand
I ball my fist you're gonna know where I stand
We're living hand to mouth
Hand to mouth
Hand to mouth
Hand to mouth
