

# Long Gone

Robyn

Long gone

Lips move, I can not hear  
A single word, they're trying to say  
A car crash, in front of me  
But I'm not there, I'm everywhere, there

I shut my ears, a long time ago,  
More comfortable, an' less vulnerable  
I may o' miss a beat, be it so,  
'Cause I hear my soul when I'm ...

Long gone  
I'm not coming in today  
I'm  
Long gone  
(Gone gone long)  
Long gone  
Next time  
I come around  
I promise  
I won't let you down  
But now  
I'm long gone

I'm calling in sick today

Life's a sentence without tense  
I'm hungry, give me some  
Nothing never ever taste the same  
No  
Nothing ever changes  
An' heaven knows that we've got hell to pay  
I'll deal with that another day, 'cause now I'm

Long gone  
I'm not coming in today  
I'm  
Long gone  
(Gone gone long)  
Long gone  
Next time  
I come around  
I promise  
I won't let you down  
But now  
I'm long gone

Long gone  
Long gone  
Tears in the sky, but I'm flyin' higher  
I'm long gone

Material's bordering on translucence  
Perhaps to you it makes no sense  
But I'm still OK to go  
Inside of me the weather's beautiful, oh sandman

Long gone  
I'm not coming in today  
I'm  
Long gone  
(Gone gone long)  
Long gone  
Next time  
I come around  
I promise  
I won't let you down  
But now  
I'm long gone

Long gone  
(Gone gone long)  
Long gone  
Next time  
I come around  
I promise  
I will bring you some, 'til then

I'm long gone  
I'm not coming in today  
I'm  
Long gone  
(Gone gone long)  
Long gone  
Long gone  
I'm not coming in today  
I'm  
Long gone  
(Gone gone long)  
Long gone  
Long gone  
I'm not coming in today
