So check yourself

(Check yourself, check yourself, ...)

Mmmh and I know when you're into deep

If you're looking for love, get a heart made of steel Cuz you know that love kills Don't go messing with love, it'll hurt you for real Don't you know that love kills? If you're looking for love, get a heart made of steel Cuz you know that love kills Don't go messing with love, it'll hurt you for real Don't you know that love kills? Protect yourself cuz you'll wrack yourself In this cold hard world, so check yourself You can see your dreams and you shield yourself 'Til that one kind soul reveals itself Protect yourself cuz you'll wrack yourself In this cold hard world, so check yourself You can see your dreams and you shield yourself 'Til that one kind soul reveals itself If you're looking for love, get a heart made of steel Cuz you know that love kills Don't go messing with love, it'll hurt you for real Don't you know that love kills? If you're looking for love, get a heart made of steel Cuz you know that love kills Don't go messing with love, it'll hurt you for real Don't you know that love kills? Mmmh and I know when you're into deep Use to think of me sometimes Stockholm syndrome in misery There's a penalty for love crimes (Oh yeah) Protect yourself cuz you'll wrack yourself In this cold hard world, so check yourself You can see your dreams and you shield yourself 'Til that one kind soul reveals itself Protect yourself cuz you'll wrack yourself In this cold hard world, so check yourself You can see your dreams and you shield yourself 'Til that one kind soul reveals itself Protect yourself (Protect yourself, protect yourself, ...)

Use to think of me sometimes

Stockholm syndrome in misery
There's a penalty for love crimes
(Oh yeah)

Protect yourself cuz you'll wrack yourself (If you're looking for love)
In this cold hard world, cuz you know that love kills

You can see your dreams and you shield yourself (Don't go messing with love)
In this cold hard world, don't you know that love kills?

Protect yourself cuz you'll wrack yourself (If you're looking for love)
In this cold hard world, cuz you know that love kills

You can see your dreams and you shield yourself (Don't go messing with love)
In this cold hard world, don't you know that love kills?

Protect yourself cuz you'll wrack yourself (If you're looking for love)
In this cold hard world, cuz you know that love kills

You can see your dreams and you shield yourself (Don't go messing with love)
In this cold hard world, don't you know that love kills?
