

# Robyn Is Here

Robyn

Robyn is here  
Robyn is here  
Robyn is here gotta let you know  
Lend me your ears can you hear my flow

Wake up people there's something new in the air  
Can you hear it, smell it, feel it, Robyn is here  
Provin' I'm alive when I'm comin' with the spring  
Makin' my debut summer '95, startin' to sing  
Better wake up 'cause I will make you feel alright  
Will get you in that freaky mood, will make you make love tonight  
I am here to sing, joy is what I bring  
Comin' with a positive feelin'  
Cause this is a Robyn thing

Robyn is here  
Robyn is here  
Robyn is here gotta let you know  
Lend me your ears can you hear my flow

Goin' downtown sittin' in the frontseat  
My head is spinnin' around and around because of the heat  
The sun is shinin' it makes everybody horny  
I'm just about to face it that everybody I know is goin' crazy  
My girls are dressed up from their heads to their feet  
But there ain't much them clothes will hide  
Guys are mackin' making the scene complete  
I'm tellin' it's contagious it's the summervibe and I'm here

A dedication to this special time of the year  
And a celebration 'cause finally I am here  
Spreadin' love to all of my family and my friends  
To that special one I'm thinkin' of and to my audience  
I'm lettin' everything else go, have only one thing on my mind  
tonight  
I am gonna let you know my flow I'm gonna make you feel alright
