Say it

Say say say...

Say it

Say say say...

I want you

Say it

I (I) want (want) you (you)

Again

I (I) want (want) you (you)

Woman, woman, woman

Bitches

I want you

Again

I want you

I want you

I want you

I want you

I want you

I want you too

I want you

I want you too

I want you

I want you too

I want you

I want you too

I want you

I want you too

Wait, stop

Almost ready

Ready

Pleasure machine

Fuck mechanic

I want you

I want you too

I want you

I want you too

I want you

I want you too

I want you

I want you too

Quiet!
