

# Show Me Love

Robyn

Yeah, yeah, yeah...

Always been told that I've got too much pride  
Too independent to have you by my side  
But my heart said all of you will see  
Just won't live for someone until he'll live for me  
Never thought I would find love so sweet  
Never thought I would meet someone like you  
Well now I've found you and I'll tell you no lie  
This love I've got for you  
Could take me 'round the world

Now show me love  
Show me love, show me life  
Baby show me what it's all about  
You're the one that I ever needed  
Show me love and what it's all about, alright

Don't waste this love I wanna give it to you  
Tell me what you got, show me what you can do  
Show me love, show me everything  
I know you've got potential  
So baby let me in and show me love

Show me love, show me life (alright)  
Baby show me what it's all about  
You're the only one that I ever needed (show me love)  
Show me love and what it's all about, alright

Show me love, show me life  
Baby show me what it's all about  
You're the one that I ever needed  
Show me love and what it's all about, alright

Show me love baby  
Show me everything you've got and show me life  
Show me love baby  
Show me everything and what it's all about  
You're the one, the only one I ever needed  
Show me love and what it's all about, alright

I'll love you  
I'll miss you  
I'll make sure  
Everything will be alright  
I'll give you my heart if you just give me love  
Every day and every night

Show me love, show me life (alright)  
Baby show me what it's all about  
You're the one that I ever needed  
Show me love and what it's all about, alright

Show me love, show me life (alright)  
Baby show me what it's all about  
You're the one that I ever needed  
Show me love and what it's all about, alright
