## **Show Me Love**

Yeah, yeah, yeah... Always been told that I've got too much pride Too independent to have you by my side But my heart said all of you will see Just won't live for someone until he'll live for me Never thought I would find love so sweet Never thought I would meet someone like you Well now I've found you and I'll tell you no lie This love I've got for you Could take me 'round the world

Now show me love Show me love, show me life Baby show me what it's all about You're the one that I ever needed Show me love and what it's all about, alright

Don't waste this love I wanna give it to you Tell me what you got, show me what you can do Show me love, show me everything I know you've got potential So baby let me in and show me love

Show me love, show me life (alright) Baby show me what it's all about You're the only one that I ever needed (show me love) Show me love and what it's all about, alright

Show me love, show me life Baby show me what it's all about You're the one that I ever needed Show me love and what it's all about, alright

Show me love baby Show me everything you've got and show me life Show me love baby Show me everything and what it's all about You're the one, the only one I ever needed Show me love and what it's all about, alright

I'll love you
I'll miss you
I'll make sure
Everything will be alright
I'll give you my heart if you just give me love
Every day and every night

Show me love, show me life (alright) Baby show me what it's all about You're the one that I ever needed Show me love and what it's all about, alright

Show me love, show me life (alright) Baby show me what it's all about You're the one that I ever needed Show me love and what it's all about, alright Tištěnoz www.txp.cz Sponzor: www.srovnava
