

# With Every Heartbeat

Robyn

Maybe we could make it all right  
We could make it better sometime  
Maybe we could make it happen, baby

We could keep trying but things will never change

So I don't look back  
Still I'm dying with every step I take  
But I don't look back

Just a little, little bit better  
Good enough to waste some time  
Tell me, would it make you happy, baby

We could keep trying but things will never change

So I don't look back  
Still I'm dying with every step I take  
But I don't look back

We could keep trying but things will never change

So I don't look back  
Still I'm dying with every step I take  
But I don't look back

And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat
