

# Don't Give Up

Roch Voisine

Hey ! Would you believe it  
If I told you that  
I know what it's like  
from behind your eyes  
A pile of broken pieces  
That fell from your heart  
Is gathered around you staring  
And there's no escaping  
But everything's changing  
Under the sun  
What's done is done

Don't give up  
Don't give up  
No matter how hard it seems  
Hold on to your dreams  
Don't give up  
Whatever you do  
(Remember) there's so much love  
And there's so much still to come

Hey! Would you believe it  
If I told you  
I know how it feels  
From where you stand  
The days that you wasted  
On tables that turned  
You thought you might learn in time  
Not to get burned  
But everything changes  
Under the sun  
So run baby run

Don't give up  
Don't give up  
No matter how hard it seems  
Hold on to your dreams  
Don't give up  
Whatever you do  
Remember there's so much love  
And there's so much still to come  
It never gets done  
It's run baby run  
Yeah!

So, don't give up  
So, don't give up  
So, don't give up ...

Don't give up  
No matter how hard it seems  
Hold on to your dreams  
Don't give up  
Whatever you do  
Remember there's so much love  
And there's so much still to come

Don't give up  
No matter how hard it seems  
Hold on to your dreams  
Don't give up  
Whatever you do  
Remember there's so much love  
And there's so much still to come  
Don't give up  
Don't give up  
Don't give up
