

My Fairy Tale

Roch Voisine

Don't get me wrong
But I'd like to sing this song
About me and all my fairy tales
I'm sometimes lonely
And when I am, you see
They help me dream my tears away
Don't bring me down
'Cause even if you wait around
I might not see you there
I'm sometimes heading for the stars
And I just don't know where you are
Forgive my innocence
I'm still a child
And I guess I will always stay the same
Amazed by a fly
Or by the pouring rain
I'm still a child
And I guess I'm the only one to blame
Won't you follow me now
In my foolish game
My fairy tale
Don't make me lie
By saying that I never try
To open and reach out for you
It's sometimes hard to know the way
Hope I will find you there someday
Inside my dream come true
I'm still a child
And I guess I will always stay the same
Amazed by a fly
Or by the pouring rain
I'm still a child
And I guess I'm the only one to blame
Won't you follow me now
In my foolish game
My fairy tale
