I Turn My Camera On

Rock Kills Kid

I turn my camera on
And I cut my fingers on the way, yeah

It hit me like a tom
Keep on blowin' up
Keep on blowin' 'em off
Get up, roll it out
Keep on showin' 'em out

You hit me like a tom
Keep on blowin' up
Keep on blowin' 'em off
Get up, roll it out
Keep on showin' 'em out

When I turn my feelings on
I turn my feelings on inside
I saw them stars go off
I saw stars go off at night

It hit me like a tom
Keep on blowin' up
Keep on blowin' 'em off
It hit me like a tom
Get up, roll it out
Keep on showin' 'em out

You hit me like a tom
Keep on blowin' up
Keep on blowin' 'em off
You hit me like a tom
Get up, roll it out
Keep on showin' 'em out

I turn my feelings off
And you, you weren't so polite

It hit me like a tom
Keep on blowin' up
Keep on blowin' 'em off
You hit me like a tom
Get up, roll it out
Keep on showin' 'em out

I don't know where it's from
Keep on blowin' up
Keep on blowin' 'em off
You hit me like a tom
Get up, roll it out
Keep on showin' 'em out

It hit me like a tom
Keep on blowin' up
Keep on blowin' 'em off
You hit me like a tom
Get up, roll it out
Keep on showin' 'em out

I don't know where it's from
Keep on blowin' up
Keep on blowin' 'em off
You hit me like a tom
Get up, roll it out
Keep on showin' 'em out
