## Immanuel

**Rock Kills Kid** 

Look inside my mind Immanuel Help me to find a place for myself I know this world is cruel But I am just, just as bad

Am I losing my mind, oh, Immanuel? Am I closer this time, oh, Immanuel? Constant debating Am I closer this time, oh, Immanuel?

You're the same as me, I know this is true Why do I do the things that I do? I know this world is cruel But I am just, just as bad

Am I losing my mind, oh, Immanuel? Am I closer this time, oh, Immanuel? Constant debating Am I closer this time, oh, Immanuel?

No time to make peace for me I wait for this to find a way I will try to make a better day I need your help the only way

Am I losing my mind, oh, Immanuel? Am I closer this time, oh, Immanuel? Constant debating Am I closer this time, oh, Immanuel?

Am I going crazy? Am I losing my mind? Am I going crazy?
