Paralyzed

Rock Kills Kid

This feels like another dream Trapped underneath my own routines I tried to lift it off of me, I give up I give up, I just sit and bleed

I'm paralyzed, I'm paralyzed
I'm stuck in the middle and I'm paralyzed

Arms and legs in between Caught inside a stupid dream Look for her but cannot see, I give up I give up, there's no time to believe

I'm paralyzed, I'm paralyzed Stuck in the middle and I'm paralyzed I'm paralyzed, I'm paralyzed The only way to cope is to realize

This feels like another dream Everyone grabbed a hold of me Pulled from every side of me, I give up I give up, there's nothing left of me

Arms and legs in between Caught inside a stupid dream Look for her but cannot see, I give up I give up, there's no time to believe

I'm paralyzed, I'm paralyzed Stuck in the middle and I'm paralyzed I'm paralyzed, I'm paralyzed The only way to cope is to realize

I'm paralyzed
I'm paralyzed

I'm paralyzed, I'm paralyzed Stuck in the middle and I'm paralyzed I'm paralyzed, I'm paralyzed The only way to cope is to realize

I'm paralyzed Stuck in the middle and I'm paralyzed I'm paralyzed The only way to cope is to realize
