

Dream Boy-Dream Girl

Rockell

Cynthia:

I still remember the first time you said that you love me
You held me in your arms
And said you'd never ever leave me
(never ever leave)
And all these promises you kept
But erased the past when i once wept
You made my fantasies come true
My heart belongs to you

You're my dream boy
You show me you love me in every way
You're faithful to me every day
Now i know that dreams come true
You're my dream boy

Johnny O:

My friends told me
That i was lucky
To have a girl like you
'cause all the girls i ever had
Their love was never true
(love was never true)
But you have brought me happiness
I treasure that day when we first met
(oh yeah)
Never ever gonna let you go
Because i love you so

You're my dream girl
You don't neglect me in anyway
You make me feel special everyday
Now i know that dreams come true

Cynthia:

You're my dream boy
You came and filled my heart with joy
And i can smile again
'cause we found a love that would never end

Johnny O:

You say that im your dream boy
That i fill your heart with joy
Well you're my dream girl
You're all i want in this world
You give me the love i need
I know we were meant to be
Talk to me...talk to me...talk to me...

Cynthia:

You hold me in your arms
I feel so safe and warm
When you look into my eyes
You have me hypnotized
You give me all your love
You're all im thinkin' of
You made my dreams come true

My heart belongs to you

You're my dream boy
(You're my dream girl)
You show me you love me in everyway
