

## Otherside Redux Freestyle

Rockie Fresh

Okay, it's Rockie, known for turning doubters to  
believers  
Fliest nigga walking in these jay and swing Addidas  
See these niggas balling, hoes be yelling from the  
bleachers  
And we known for getting dougie, you ain't even got to  
teach us  
Now we is the shit, know wherever we go and we control  
like Nintendo  
Wii-Motes, chilling with a bad B, she be counting C-Notes  
And she never take breaks cause we'll never be broke  
Wonder what will we smoke, say that we the highest  
I be on some king shit, label me your highness  
You can't even buy this, this be out your price range  
Your girl be like my crack fiend, she say she love my  
pipe game  
Exciting, did my damn thing and then got rid of her  
Now I'm seeing money like I work behind the register  
Paper, I'm the editor, you're not a competitor  
And me being ahead of ya is why I'm getting head from her  
bitch.
