

Top Of The World

Rockie Fresh

[Verse 1]

Young Superman OG

Double M-G the hottest since the R-O-C

I've got my niggas rollin', wonderin' what the plan gon' be

I told 'em "focus on the future and don't do shit free"

Y'all gon' watch me turn water into a billion

Stack it to the heavens, leave a blessing for the children

I'mma be the reason why my grandkids say "we've got family money"

Made a cool mill', yet I'm still the young and hungry

I grind with the mastermind, the gifted, the dreamchaser

'Til you've seen us, you ain't seen paper

My nigga Stalley album 'bout to hit the scene, later

And Gunplay 'bout that action when he see haters

Me I blow vapors, Swishers, bongs, whatever

And all of my niggas, we ride together

Bitch we on fire, fall in love with this heat rock

What I spent on luggage could've bought your ass a fiat

And our level of success high-risk

Competition gettin' beat like an egg in a whisk

I did a show out in Aspen and the weather was brisk

Made \$10,000, spent it all on kicks

'Cause I'm rich, nigga "doin' everything you wish, nigga

And you ain't gettin' high like this

Nah, you don't take 'em high like this

You ain't gettin' fly like this

Said you ain't gettin' high like this

You ain't ridin' in no rides like this

You doin' somethin' over there, but not like this

You ain't gettin' high like this

You ain't fly like this

This shit feelin' like a nigga standin' high at the top of the world

As a youngin, I just knew that I'd be at the top of the world

Me and all my niggas, we just chillin' at the top of the world

Right now, countin' millions while we're chillin' at the top of the world

Young niggas, you should try and make it to the top of the world

Anything can happen, nigga, when you get to the top of the world

That's why I'm happy right now, gettin' money at the top of the world

And I'm probably getting top from your girl

Right now, at the top of the world
