

Hey worldwide coast to coast all the love I get off  
I wouldn't trade it for the world I fuckin love that shit  
Know my whole we be on I fuckin love  
When she kissing on my neck I fucking love that shit  
They don't know what the freak this is ye I love that shit  
Possible on the tour I fucking love that shit  
Ain't no means she serve some cheese I love that shit  
Love that shit, love

My lil couzo, slicker than worm sperm  
Still I love him don't bother be on for her  
I love my money obviously yoy love me too  
It's through the roof  
They know my shit in VI  
Bermuda ye they love me too  
Love it in Aruba, I love Dubai  
I fell in love with planes, I love it in the sky  
The ones the hardest to love, the ones that need it most  
They show me love from coast to coast  
Love how that money flow, look at that money flow  
Look at that money grow love how that old money throw  
When I'm loving this new money dough  
I never seen a blue dollar before  
I love this foreign dough

Hey worldwide coast to coast all the love I get off  
I wouldn't trade it for the world I fuckin love that shit  
Know my whole we be on I fuckin love  
When she kissing on my neck I fucking love that shit  
They don't know what the freak this is ye I love that shit  
Possible on the tour I fucking love that shit  
Ain't no means she serve some cheese I love that shit  
Love that shit, love

Emotion of a strong affection, person attachment  
Damn I never knew the definition  
It's such a strong word, king of the state and more  
You kidding me, you telling me  
I don't love this it's chemistry  
Got a shout out to my hood girl they never know  
Double salute to them gangsters they show me love  
I just replaced every girl no  
I told you from the giddy up I'm never there no  
Once that wrong broke that love gone  
And love what those niggas shit dough  
They might hang around gotta watch who you love  
The love will let you down  
State flow across the wall  
Show your love take your fall
