

## Prepared

Rocko

I'm prepared for this shit  
Gotta stay prepared  
Gotta stay prepared  
I'm prepared for this shit  
I was grown by the best  
I'm prepared for this victory  
Dumb boys getting rich through me  
They motivate me to rap  
Now I make history  
I don't know why they love my voice  
Just think they relate to what's great  
I'm prepared for the love  
Prepared for the hate  
Prepared for the real  
Prepared for the fake  
I'm prepared for the desperate move these suckers gonna make  
I'm prepared for the M's,  
I'm prepared for the cake  
I'm prepared for the sneak  
Disprepared for the phonies  
I'm prepared for this gold digging bitches who want money  
I'm prepared for success  
I keep the love in me though these niggas plotting  
I'm prepared for the fuckery  
I'm prepared for the scoop  
I'm prepared for the blogs  
2000 for my radar  
I'm prepared for the law  
I'm prepared for being first  
Ain't prepared for being last  
I'm prepared for you sneaks  
I'm prepared for that ass  
Proper preparation proving piss per perform  
Ain't prepared for some sick they gon tell me that it's raw  
Never had to worry I conquered all my feels  
Nothing you can do to harm me 'cause I stay prepared  
I live my life on the edge  
On the win and the prayer  
Day by day trying to make a way  
I never really cared  
I can tell you I make plans  
I can take the test I'm saying  
Never know what tomorrow hold  
You gotta be prepared
