Rocko

Know you probably wondering how the hood is on their back  
Probably 'cause the husslers everywhere they love that  
Probably 'cause them bad bitches everywhere they love that  
Probably 'cause they know we real ain't no probably what that is  
Probably at the studio, probably somewhere doing show  
Probably shoot a video, probably learn the cash flow  
Probably somewhere gambling, probably somewhere scrambling  
Probably somewhere thumbing through, probably money is all we running through

Probably move around picking roller and popping weaving  
She got him in the morning probably be gone by this evening  
And 9 times out of 10 probably serve who serving you  
I ain't waiting for shit, no waiter, I bring it to you  
Probably up at fifth shopping give me something to eat  
They ain't have a boutique shit I'm probably on the street  
If they ain't got it then it's probably on the get list  
Matter of fact no probably to it why me do it  
Probably sneak a wife against blowing on my spot  
You had to kick her out she probably come right back to morrow  
My music addictive they say all my shit be raw  
The suckers want the formula, they probably listening right now
