

# Understand

Rocko

Already I be playing  
You catch me down back  
You build a doomer that's your ass  
Hope you understand  
I hope you understand  
I'm trying to help you understand  
I'm tit for tat coming back  
Nigga off for triple is success  
The best reveal they see me winning  
Know I kill 'em  
But I still don't understand  
Can you help me understand

I don't understand what you saying  
You throwing rock at of your hand  
Lean around the bush I come cut down your land  
Say it to my face nigga help me understand  
You ain't seen what I did 'cause you ain't nothing like I am  
And they say they look for me  
But I'm right here I don't see 'em  
I don't hear 'em everything I say I did ain't been like him  
With a sub won't you at me  
Meet my address I'm a text it  
Better yet I think you flexing  
Give me yours I'm a come address it  
Get your one beats your ass  
Hope you respect  
If you don't I got my troops on well protected  
Give me the chess this ain't checkers  
Think you run a game I'm a play it  
And it off nigga if you ain't scared  
You was in school I was in the street  
Conquer my fears

Already I be playing  
You catch me down back  
You build a doomer that's your ass  
Hope you understand  
I hope you understand  
I'm trying to help you understand  
I'm tit for tat coming back  
Nigga off for triple is success  
The best reveal they see me winning  
Know I kill 'em  
But I still don't understand  
Can you help me understand

Going on a decade strong making money off these songs  
I get residual income even when I'm off I'm on  
Male boss money, male boss full of letters from my partners  
In the can they got snitched on by their mess  
Where's the love all this fake out these hoes  
Foolish mouth hate me but what for  
I'm just trying to profit we the benefits our soul  
Make some money of it  
We live on the streets lend me your profit  
Equal opportunity if I can then you can why you playin

Shit so puzzled lend to me  
Wassup with all the fuckery  
I don't understand what you sayin  
Come a little closer help me understand

Already I be playing  
You catch me down back  
You build a doomer that's your ass  
Hope you understand  
I hope you understand  
I'm trying to help you understand  
I'm tit for tat coming back  
Nigga off for triple is success  
The best reveal they see me winning  
Know I kill 'em  
But I still don't understand  
Can you help me understand

Ye ain't from my hood so I spit you understand  
What I did how I did it turned nothing to something  
All I sense living through me living proof  
If I can, you can  
Write your plan, get your team together  
Go buy a couple of fans, hit every city hit every coast, do the most  
Hove over the land go all in gotta show 'em you ain't playing  
I'm the hove over my land  
I talk they listen  
Some sab they teaching some sab you preaching  
I said the same thing  
By the way I do both of them  
Equal opportunity millionaire for telling the truth  
That's some shit there, the street respect the real not the fake  
That's what you need to understand  
Real niggas I know you understand me  
Understand?

Already I be playing  
You catch me down back  
You build a doomer that's your ass  
Hope you understand  
I hope you understand  
I'm trying to help you understand  
I'm tit for tat coming back  
Nigga off for triple is success  
The best reveal they see me winning  
Know I kill 'em  
But I still don't understand  
Can you help me understand
