

# Crying Laughing Loving Lying

Rod Stewart

Crying  
Crying never did nobody no good  
No how, no how

That's why I  
I don't cry  
That's why I  
I don't cry

Laughing  
Laughing sometimes does somebody some good  
Somehow, somehow

That's why I, I, I  
I'm laughing now  
That's why I, I  
I'm laughing now

Loving  
Loving never did me no good  
No how, no how

That's why I  
Can love you now  
That's why I, I, I  
Can love you now

Lying  
Lying never did nobody no good  
No how, no how

So why am I, I, I  
Lying now  
So why am I  
Lying now
