## Hang on St. Christopher

## **Rod Stewart**

Hang on St. Christopher Through the smoke and the oil Pumpin' iron around the scene Let the radiator boil Got no back down shift And a two dollar grill Got an '85 cab

Hang on St. Christopher On the passenger side Open it up tonight So the devil can ride

Hang on St. Christopher With a ballast door Kick me up ... Throw me out in the fog Tell ... Jack ... Drive a stake through his heart Do a hundred on the grapevine Do a jump on the start

Hang on St. Christopher Now don't let me go Get me to Reno And bring it in low, low

Hang On St. Christopher With the hammer to the floor Put a highball in the crankcase Nail a crow to the door Give me a bottle for the jockey Give me a two ... There's a certain ... Bustin' down Johnny's door

Hang on St. Christopher On the passenger side Open it up tonight So the devil can ride

Let the devil ride Let the devil ride Let the devil ride

Hang On St. Christopher Now don't let me go Get me to Reno Got to bring it in low Put my baby on a flatcar Tell 'em to burn down the caboose Get 'em all jacked up with whiskey And we'll turn the mad dog loose

Hang on St. Christopher On the passenger side Open it up tonight So the devil can ride

Let him ride, let him ride Let him ride, let him ride Let him ride, let him ride

HAng on St. Christopher Through the smoke and the oil Get me to Reno And bring it in low, low ...
