

# Highgate Shuffle

Rod Stewart

Oh, yeah  
Let the band play one time now

It was early one morning,  
I was on my way to school  
Early one morning,  
I was on my way to school  
Got lost on monday morning,  
I broke my teachers rule

I was in love with you, baby,  
before I learned to call your name  
I was in love with you, baby,  
before I learned to call your name  
Now you're in love with someone else  
You're bound to drive poor me insane

Oh, yeah (        )

I said bye, bye bye, baby, bye bye  
I said bye, bye bye, baby, bye, bye ...  
ha ha  
I said bye, bye bye, baby, bye, bye ...  
bring it down here  
I said bye, bye bye, baby, bye, bye ...  
bye, bye bye, baby, bye, bye ...  
I said bye, bye bye, baby, bye, bye ...  
Yeah,  
bye, bye bye, baby, bye, bye ...  
bye, bye bye, baby, bye, bye ...  
I said bye, bye bye, baby, bye, bye ...
