

I'm In The Mood For Love

Rod Stewart

I'm in the mood for love
Simply because you're near me
Funny, but when you're near me
I'm in the mood for love
Heaven is in your eyes
Bright as the stars we're under
Oh, is it any wonder
That I'm in the mood for love?
Why stop to think of whether
This little dream might fade?
We've put our hearts together
Now we are one, I'm not afraid
And if there's a cloud above
If it should rain, we'll let it
But for tonight forget it
I'm in the mood for love
Oh yeah

Why stop to think of whether
This little dream might fade?
We've put our hearts together
Now we are one, I'm not afraid
And if there's a cloud above
If it should rain, we'll let it
But, for tonight, forget it
Cause I'm in the mood for love
I'm in the mood for love
For love, for love...
