

In My Life

Rod Stewart

There are places I remember
All my life, though some have changed
Some forever, not for better
Some are gone and some remain
Oh these places had their meanings
With lovers and friends, I still recall
Some are dead and some are living
In my life, I've loved them all

But of all these friends and lovers
There is no one, compares with you
And these memories lose their meaning
When I think of love, as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life, I've loved you more
