

# Leave Virginia Alone

Rod Stewart

Well I've Seen her  
Down the alley  
And over the hill  
To steel her away  
She was as hot as  
Georgia asphalt  
When the aircraft came  
To adore her brain

So leave Virginia alone  
Leave Virginia alone  
She's not like you  
And me  
She's not like you  
And me  
You should've seen her  
Back in the city  
Poetry and jewels  
Broke all the rules  
She was as high as  
A Georgia palm tree

So Leave Virginia alone  
Leave Virginia alone  
She's not like you  
And me  
She's not like you  
And me

Some sunny day  
When the h... of times have  
Gone farewell  
You'll understand  
Why it was so hard  
To run away  
To run away

She's a loser  
She's a forgiver  
She still finds good  
When no one could  
You want her  
More than money  
Cadillac can rust  
Diamond and dust

So Leave Virginia alone  
Leave Virginia alone  
She's not like you  
And me  
She's not like you  
And me

Ah, yeah  
Leave Virginia alone  
Leave Virginia alone  
She's not like you

And me  
She's not like you  
And me

Ah, yeah, yeah, yeah, yeah ,...

La, la, la, leave her alone

Oh, Virginia  
Oh, Virginia  
Leave her alone
