Let's Fall In Love

Rod Stewart

I have a feeling, it's a feeling I'm concealing, don't know why It's just a mental, incidental, sentimental alibi But I adore you So strong for you Why go on stalling I am falling Love is calling Why be shy? Let's fall in love Why shouldn't we fall in love? Our hearts are made of it Let's take a chance Why be afraid of it Let's close our eyes and make our own paradise Little we know of it, still we can try To make a go of it We might have been meant for each other To be or not to be Let our hearts discover Let's fall in love Why shouldn't we fall in love Now is the time for it, while we are young Let's fall in love We might have been meant for each other To be or not be Let our hearts discover Let's fall in love Why shouldn't we fall in love? Now is the time for it, while we are young Let's fall in love Now is the time for it, while we are young Let's fall in love Let's fall in love
