Passion

Rod Stewart

Somebody somewhere
In the heat of the night
Looking pretty dangerous
Running out of patience

Tonight in the city
You won't find any pity
Hearts are being twisted
Another lover cheated, cheated

In the bars and the cafes, passion In the streets and the alleys, passion A lot of pretending, passion Everybody searching, passion

Once in love you're never out of danger
One hot night spent with a stranger
All you wanted was somebody to hold on to yeah
Passion, passion
Passion, passion

New York, Moscow, passion Hong Kong, Tokyo, passion Paris and Bangkok, passion A lotta people ain't got, passion

Hear it in the radio, passion Read it in the papers, passion Hear it in the churches, passion See it in the school yards, passion

Once in love you're never out of danger
One hot night spent with a stranger
All you wanted was somebody to hold on to yeah
Once in love you're never out of danger
One hot night spent with a stranger
All you wanted was somebody to hold on to yeah

Alone in your bed at night, passion It's half past midnight, passion As you turn out your sidelight, passion Something ain't right, passion

There's no passion, there's no passion There's no passion, I need passion You need passion, We need passion Can't live without passion Won't live without passion

Even the president needs passion Everybody I know needs some passion Some people die and kill for passion Nobody admits they need passion Some people are scared of passion Yeah passion
