

# Rainy Night In Georgia

Rod Stewart

Hoverin' by my suitcase  
Tryin' to find a warm place to spend the night  
Heavy rain fallin'  
Seems I hear your voice callin' it's all right

A rainy night in Georgia  
Such a rainy night in Georgia  
It seems like it's rainin' all over the world  
And I feel like it's rainin' all over the world

Neon signs are flashin'  
Taxi cabs and buses passin' through the night  
A distant moanin' of a train  
Seems to play a sad refrain to the night

A rainy night in Georgia  
Such a rainy night in Georgia  
Lord, I believe it's rainin' all over this world  
I feel like it's rainin' all over the world

How many times I've wondered  
It still comes out the same  
No matter how you look at it or think of it  
It's life and you just gotta play the game, play the game

I find me a place in a box car  
So I take my guitar to pass some time  
Late at night when it's hard to rest  
I hold your picture to my chest and I feel fine

But it's a rainy night in Georgia  
Baby, it's a rainy night in Georgia  
I feel like it's rainin' all over the world  
Kinda lonely now 'cause it's rainin' all over the world

It's rainin', rainin', rainin', rainin'  
Rainin' all over the world  
I'm cold and I'm lonely and it's rainin'  
Rainin' all over the world  
It's rainin', rainin', rainin', rainin' all over the world
