

So Far Away

Rod Stewart

So far away
Doesn't anybody stay in one place anymore
It will be so fine to see your face at my door
And it doesn't help to know that your just time away
Long ago I reached for you and there you stood
Holding you again could only do me good
Oh how I wish I could
but you're so far away

One more song about moving along the highway
I can't say much of anything that's new
But if I could only work this life out my way
I'd rather spend it being close to you
but you're so far away
Doesn't anybody stay in one place anymore
It will be so fine to see your face at my door
And it doesn't help to know you're so far away
So far away, yeah you're so far away

Traveling around sure get's me down and lonely
Nothing else to do but close my mind
And I sure hope the road don't get to own me
There's so many dreams that I've yet to find
But you're so far away
Doesn't anybody stay in one place anymore
It will be so fine to see your face at my door
And it doesn't help to know
you're so far away, you're so far away
You're so far away, you're so far away
Oh I need to get in touch with ya baby
You're so very, very, very far away
You're so, so far away
