

Still The Same

Rod Stewart

You always won, everytime you placed a bet
You're still damn good, no one's gotten to you yet
Everytime they were sure they had you caught
You were quicker than they thought
You'd just turn your back and walk
You always said, the cards would never do you wrong
The trick you said was never play the game too long
A gambler's share, the only risk that you would take
The only loss you could forsake
The only bluff you couldn't fake

And you're still the same
I caught up with you yesterday
Moving game to game
No one standing in your way
Turning on the charm
Long enough to get you by
You're still the same
You still aim high

There you stood, everybody watched you play
I just turned and walked away
I had nothing left to say

'Cause you're still the same
You're still the same
Moving game to game
Some things never change
You're still the same
