

## Still The Same

Rod Stewart

You always won, everytime you placed a bet  
You're still damn good, no one's gotten to you yet  
Everytime they were sure they had you caught  
You were quicker than they thought  
You'd just turn your back and walk  
You always said, the cards would never do you wrong  
The trick you said was never play the game too long  
A gambler's share, the only risk that you would take  
The only loss you could forsake  
The only bluff you couldn't fake

And you're still the same  
I caught up with you yesterday  
Moving game to game  
No one standing in your way  
Turning on the charm  
Long enough to get you by  
You're still the same  
You still aim high

There you stood, everybody watched you play  
I just turned and walked away  
I had nothing left to say

'Cause you're still the same  
You're still the same  
Moving game to game  
Some thlngs never change  
You're still the same
