

# This Old Heart Of Mine

Rod Stewart

This old heart of mine  
Being broken a thousand times  
Each time you break away I feel you're gonna stay  
Lonely nights to come  
Memories that burn  
When you look back again hurting me more and more

Maybe it's my mistake  
To show this love I feel inside  
'Cause each day that passes by  
You got me never knowing every time  
that I fall apart

I love you, yes I do, this old heart  
I love you, yes I do, yes I do, reach for you

I've tried hard to hide my hurt inside  
This old heart of mine always keep me flying  
The way you treat me, leaves me incomplete  
Girl you're here for the day gone for the week

Girl if you leave me a hundred times  
A hundred times I'll take you back  
I'll go wherever you want  
I'm not to tell you story of a doubted heart

I love you, yes I do, this old heart  
I love you, yes I do, yes I do, reach for you

This old heart of mine  
Being broken a thousand times  
Each time you break away I feel you're gonna stay  
Lonely nights to come  
Memories that burn  
When you look back again hurting me more and more

Maybe it's my mistake  
To show this love I feel inside  
'Cause each day that passes by  
You got me never knowing every time  
that I fall apart

I love you, yes I do, this old heart  
I love you, yes I do, yes I do, reach for you.....
