

Walking in the Sunshine

Rod Stewart

Oh my, just another day
When I look in the mirror and I am turning pretty truly grey
And I ain't waitin' around this town for my ship to come in
We can't spend half our lives just day dreamin'

One of these days
Baby and it won't be long
We're out of here
Over that horizon
The day will come
When we'll be walkin' in the sunshine

All I want is a better life for you and me
Far away
It'll be an odyssey
Hand in hand
And we'll be walkin' in the sunshine
And we'll be walkin' in the sunshine

Oh my, these are scary times
There's bullet flyin'
And streets are burning
And I've a worried mind
I find my deliverance by the riverside
And I'll bathe my head in the cool, cool water and be satisfied (Yes I will)

One of these days
Baby and it won't be long
We're out of here
Over that horizon
The day will come
When we'll be walkin' in the sunshine

All I want is a better life for you and me
Far away
It'll be an odyssey
Hand in hand
And we'll be walkin' in the sunshine
Oh yeah!

And we'll be walkin' in the sunshine

Let's set sail for a brand new life
Where the vines and the olives grow
"Full steam ahead!" to a foreign land
Where the weather suits, the weather suits, the weather suits my clothes

One of these days
Baby and it won't be long
We're out of here
Over that horizon
That day will come
And we'll be walkin' in the sunshine

All I want is a better life for you and me
Far away
It'll be an odyssey

We'll be free
And we'll be walkin' in the sunshine
Oh yeah!
Oh yeah!
Oh yeah!
Walkin' in the sunshine
