What A Difference A Day Makes

Rod Stewart

What a difference a day makes Twenty-four little hours Brought the sun and the flowers Where there used to be rain.

My yesterday was blue, dear Today I'm a part of you, dear My lonely nights are through, dear Since you said you were mine, oh mine.

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss.

It's heaven when you find romance on your menu What a difference a day made And the difference is you.

My yesterday was blue, dear Today I'm a part of you, dear My lonely nights are through, dear Since you said you were mine.

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss.

It's heaven when you find romance on your menu What a difference a day made
And the difference is you
The difference, the difference is you.
