

# What Do You Want Me to Do?

Rod Stewart

I tried to do the things in my own way  
I tried to do what people say  
but I was going nowhere fast  
And now I'm turning to you at last

What do you want me to do  
What so you want me to do  
What do you want me to do, Lord

I can see the lights of home  
But I can't get there on my own  
I can see the landing strip  
But I need you to guide my ship

What do you want me to do  
What so you want me to do  
What do you want me to do, Lord

I've been a fool and I've been a clown  
I've let the enemy turn me around  
I've wasted love and I've wasted time  
I've been proud and I've been blind

There's such a lot of things to change  
A whole world to arrange  
And if you show me how  
I'll begin right now  
[Repeat (1)]

What do you want me to do, Lord  
What do you want me to do, Lord  
"Cause I'm listenin'  
I'm listenin'  
Lord, I'm listenin'  
I'm listenin'
