

## My Angel Friend

Rodney Carrington

Lift me up each day  
Even though you've gone away  
Your Spirit dances in my mind  
In my heart, and in my soul  
The life you lived, The Love you left  
The one's you've touched, we won't forget  
You give us strength in time of need  
My Friend, My Angel Friend

'And we shared good times, through the years  
In my heart and soul, you're here with me  
My Friend, My Angel Friend

I hear you whisper in the wind  
Piece by piece our, hearts will mend  
The dreams you've shared will carry on  
Here and now, and beyond  
'And the world will smile, for you were here  
The gifts you brought we'll hold them dear  
I'll take you with me, 'til we meet again  
My Friend My Angel Friend

'And We'll share good times from now on  
In my heart you live on, with me  
My Friend, My Angel Friend

I miss my Friend
