

The Man Song

Rodney Carrington

Ladies and Gentlemen,
The Man Song!

(He's the man!)
(He's the man!)

I don't take no crap from anybody
I wear the pants around here
Cuz I'm a guy you don't wanna fight
I'm the man of this house

(He's the man!)
(He's the man!)

What I say goes around here
And I don't wanna hear a lot of whining
The sooner you learn who's Boss around here
Cuz I'm Head-Honcho around here

(He's the man!)
(He's the man!)

And I can have sex anytime
Cuz I'm a man who has needs
And don't expect any flowers from me
I'm the King of my castle

(He's the man!)
(He's the man!)

And I'll drink and watch sports whenever I want
And I'll come home when I'm good and ready
Cuz a man's gotta do what a man's gotta do
Because I'm Top dog around here

(He's the man!)
(He's the man!)

(You the man!)
