

# Ashes By Now

Rodney Crowell

This morning is Monday  
Where are you now?  
Teasin' my memory  
Teaching me how to lay low when I don't want to  
Your love is elusive this I know now It's making me crazy Leavi  
ng me out  
In the open  
When I don't want to  
I don't know why you do that to me (really low, soft volume) go  
to lead  
The moments of pleasures  
Never do last  
Are gone like a suitcase full of your past  
Long gone, and in a hurry

Baby, I can't go through this again  
I don't need to go down  
More then I've already been  
Just like a wild fire  
You're running all over town  
As much as you burn me, baby  
I should be ashes by now

The second street beggars alone in they life

Drunk on a sidewalk to hide from the night  
Like I am  
They're just like I am

Baby, I can't go through this again  
I don't need to go down  
More then I've already been  
Just like a wild fire  
You're running all over town  
As much as you burn me, baby  
I should be ashes by now

Just like a wild fire  
You're running all over town  
As much as you burn me, baby  
I should be ashes by now

Aaaaaahh  
Aaaaaahh  
Should be ashes by now
