

# I Guess We've Been Together For Too Long

Rodney Crowell

You and me must be something to see  
A-fussing at each other until dawn  
We made a mess out of our happiness  
Girl, I guess we've been together for too long

His and hers has turned to yours and mine  
So I don't have to tell you something's wrong  
We made a fool and talked out of school  
Girl, I guess we've been together for too long

Well, I guess we've been together  
Through all our stormy weather  
And now it's time to sail our ship along  
His and hers has turned to yours and mine  
Girl, I guess we've been together for too long, for too long

Well, I guess we've been together  
Through all our stormy weather  
And now it's time to give it up our  
His and hers has turned to yours and mine  
Girl, I guess we've been together for too long

And I'm sad to say that it turned out that way  
Girl, I guess we've been together for too long  
Yes, I guess we've been together for too long
